

# FireCatMagic EXPOSED

Written by Deadly, please DM me if you have more proof, send FCM this too.

**A little backstory:** [Spacebuilder \(Alexander Kyle Dunn\) was arrested on October 24<sup>th</sup> 2022](#), meeting up with a minor in the Crocker Park Barnes & Noble. Before being arrested and being put up on bond, he was also fired from CEO of Brick-Hill.com

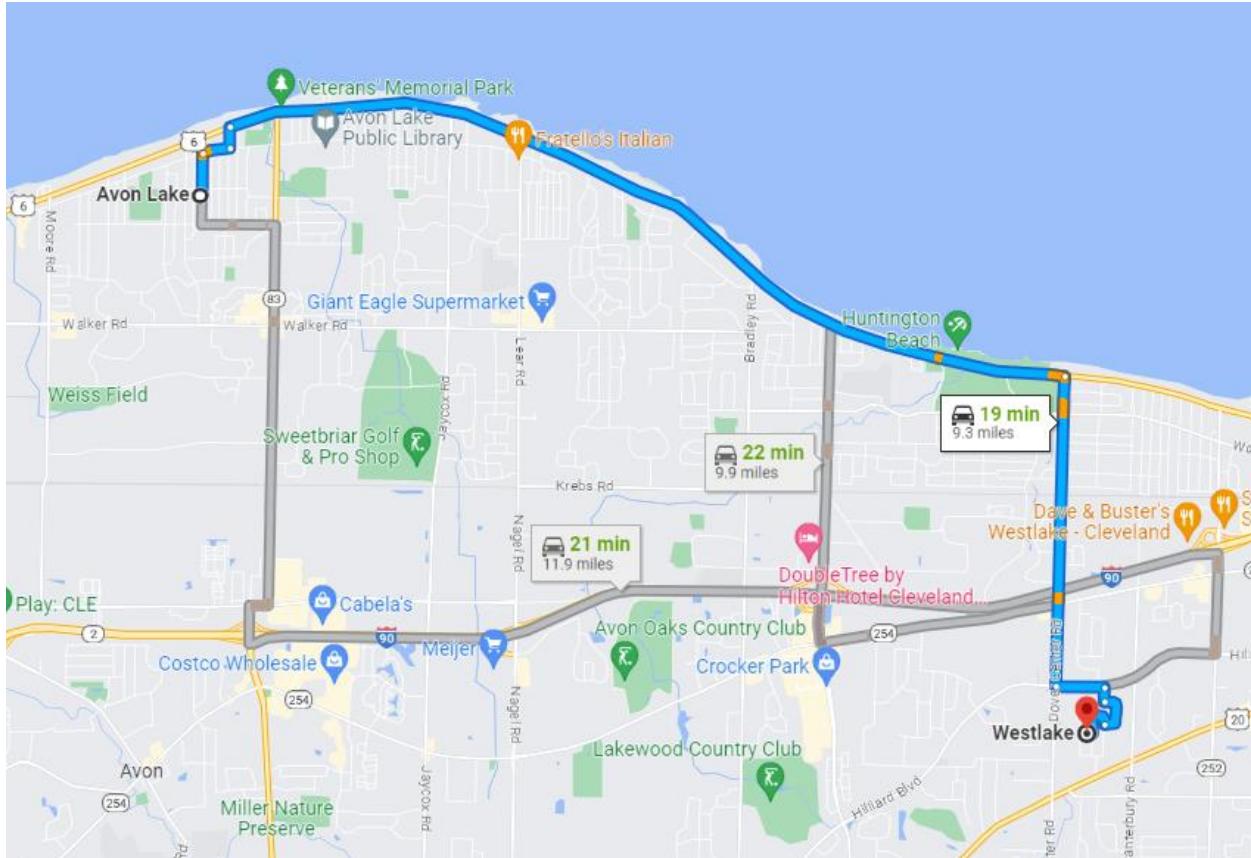

Time to get into the part where FireCatMagic is put into this story, and why they are apart of this whole ring. A new video has circled around and came to light by millyrocker on youtube,

<https://www.youtube.com/watch?v=gUwAn5vMmlk&pp=ygUMc3BhY2VidWlsZGVy>

On this video we see the Minor that space met up with, talk about FireCatMagic and dating FCM. **0:57-4:55 (girl (the minor) explains how she met him and talks about FireCatMagic (her ex))**

FireCatMagic is of age and would have been perfectly legal to date the minor, but this is where it will all start to come together. If you know anything about Spacebuilder, FCM or BH you would know that FireCatMagic and spacebuilder were always pretty close, FCM getting into the site really early, making videos on BH etc. **(Not certain if they were friends before BH, but none the less they were friends)**. We consider that FireCatMagic dated this Girl, and presumably they broke up.

FireCatMagic lives(d) about 19 minutes away from the minors house, (Not using FCM and the minors addresses but their TOWNS), which is reasonable for them dating, knowing each other ETC.

It's not clear if FCM told space about the Minor out of spite because they broke up, or because they needed a BF??? But FCM still told space, knowing all well that this kid was a minor, telling a 22 year old about a 16 year old.

I find it hard to believe that space just found this minor that just dated someone he was really close to.

This is just a quick document, I will put the exact transcripts in this, the minor talking about FCM but you can watch the video for now. I honestly

don't give 2 shits if you harass FCM. I had theory that maybe space went and met FCM and FCM told him about his ex but that wouldn't align with the police reports.
